Drinks/Water

We encourage guests to be prepared and stay safe and hydrated. Along the parade route, there will be fundraising groups selling bottles of water. F-L

Fireworks Soundtrack

Take your Wamego Fireworks experience to the next level and enjoy the musical soundtrack with the show. Wamego's PYRO CREW selects specific songs each year and then work through the winter to synchronize their show and special effects to the soundtrack. Music and fireworks melded together can deliver a uniquely powerful feeling. The chase sequences and timing to the music are an artistic element for which Wamego is well known. Use an FM radio tuned to B104.7 to personally enjoy the music at a level that is right for your ears. (Streaming internet or phone based apps introduce a delay and will not synchronize with the show therefore you must use "over the air" FM radio. Sport type radios using earbuds are our favorite because you won't miss a note.) The ear buds placed tightly in your ears block a little bit of the boom. Set the volume at your personal preference to obtain your perfect mix of fireworks sizzle and music.

Food

There are multiple restaurants throughout Wamego that are glad to serve you. Go to visitwamego.com to identify dining options, additionally, concession options are available. Concession stands can be found at the Carnival, downtown and at the Wamego Recreation Complex (See Concessions). Guests are encouraged to plan and bring snacks, food, water, etc. with them in a cooler. The five food stands through-out the complex offer: popcorn, funnel cakes, pretzels, candy, hot dogs, brats, hamburgers, Mega Dog, shaved ice, flavored drinks, pulled pork, BBQ beef.

Getting Around

On July 4th, a smart strategy it to arrive early and make a day of it. Securing parking spots before the parade start will be easy and worry free and there are activities the entire day. Once you are parked, stay parked... all venues are a reasonable walk from one another. In the late afternoon as the parade time nears, you will be able to navigate on foot more efficiently than you would in a car. Many utilize the FREE shuttle service from Wamego High School Sports Complex (Football field W. edge of town) and the Wamego Middle School. Others park in the early afternoon at the public fireworks lots and walk to city park for the car show and carnival fun, followed by catching the parade and later walking back to the complex, stopping by their vehicle and gathering provisions for the fireworks display. Settle in at the fireworks site and enjoy great free music provided by the band, DEPARTURE! before the display. After the show, you will be within reasonable walking distance of your vehicle and putting the cap on a great Independence Day experience. After the fireworks traffic will be heavy and slow, so relax and stay, visit with friends and listen to music by the band DEPARTURE.

Length of Parade & Fireworks

The Annual Independence Day Parade begins at 6:00 p.m. and is anticipated to be just over an hour. Please stay behind the flag line for spectator safety! The fireworks launch lasts about 30 minutes.

Lost and Found

Our volunteers do their best during clean-up to compile lost personal items. To receive information if any lost items are found, please contact the Wamego Chamber at 785-456-7849 or the City of Wamego at 785-456-9119 the work week after Independence Day to check for any lost items. Wallets, purses and other personal items containing sensitive information should be turned into law enforcement immediately.

Donor Parking is available to those who have made a contribution for a parking pass. The donor lot is within the Wamego Recreation Complex. To learn more or to purchase a donor parking space, go to wamegofireworks.com.

Parking for Guests with Disabilities

We are committed to the needs of our guests. At the donor reserved parking area at the complex, additional parking spaces are created and designated for those with disabilities on July 4th. This total well exceeds the number of disabled parking spaces required by the ADA. To guarantee one of these spots, a parking pass may be purchased at wamegofireworks.com with request for an ADA spot. Otherwise, remaining inventory of these spaces are offered free on a first come, first served, basis. Unfortunately, the demand always exceeds supply. Satellite lot with hard surfacing is located at Wamego Middle School. Guests may be dropped at the event entrance on Balderson Boulevard and the driver may park at any number of free lots, reference map. Please be advised however Balderson Blvd is not open to vehicle traffic after 8pm and may close sooner as lots in the immediate vicinity fill. Please be aware immediately following the show (and for roughly 45 minutes after), ALL traffic from the complex and immediate vicinity outbound will be very heavy. You will not be able to return to complex to pick up friends and family until traffic has been cleared. For this reason, use of the free shuttle service is advised.

Pets

While leashed pets are permitted on city property, we encourage you to assess your pet's tolerance for large crowds and the high decibel-levels created by fireworks before bringing them along to the celebration. Most pets are frightened by large booms and flashes of light. Pets along the parade route and in the complex during the fireworks display are strongly discouraged.

Phones

With tens of thousands of mobile devices using local towers at the same time, cellular service can become intermittent. Please plan accordingly.

P-W

Police/Security

Local law enforcement agencies, the Wamego Chamber & CVB, as well as the Wamego Fireworks Show Pyro Crew have consistently worked together to create a traffic plan that effectively directs spectators out of Wamego after the Fireworks show in a safe way. We kindly ask for patience as vehicles are dispersed efficiently and expeditiously to ensure safety of all guests and law enforcement. Take a deep breath, relax and listen to the band Departure.
